

Year Group:	1	Subject:	Art
Term:	Autumn week 5 & 7	Topic:	Weather

What I already know...			What I know now...
I can mix colours to make different new colours.			I can show that colours can be used to paint different types of weather.
New vocabulary			What I can do at home
Primary Colours	basic colours that can be mixed together to produce other colours. They are usually considered to be red, yellow and blue		Find out everyone in your family's favourite colour and ask them why.
texture	the way something feels when you touch it, for example how smooth or rough it is		
temperature	how hot or cold something is
